

## Grant Application for Emergency Assistance HEERF 2

New Concept Massage & Beauty School believes that access & affordability are at the foundation of our educational mission.

We remain committed to that belief. Faced with challenges, we have proven that we will endure & flourish. We thank you, our community of students, alumni, faculty, staff, & guests for your kind understanding, flexibility, patience, & your goodwill.

We have invested in our people & in technology to adapt. Now that we have temporarily transitioned to Distance Education, how else can we help our students?

On 03/05/2021 we signed and returned to the Department the Certification and Agreement. We can assure that the institution has used, or intends to use, the funds received under Section 84. 425Q CARES ACT HEERF II. We have applied for & were successfully awarded a grant to provide Emergency Financial Assistance to each of our eligible students for food, housing, course materials, technology, health care, & child care. These grant funds are without fees or charges & they do not need to be paid back. Our Institution has received a total amount of 114,049 from the HEERF Emergency Financial Aid Grants.

Information as of as of 03/22/2021 is as follows:

- Grant money distributed to students	=	\$0
- Number of students having received grants	=	0
- Estimated number of students eligible is	=	42
-		

We have also established a Grant Emergency Assistance (GEA) Committee. This Committee is in charge of administering the GEA program in accordance with the United States Department of Education regulations of the CARES Act: Higher Education Emergency Relief Fund.

    - Yes
    - No
- 

Student Signature: \_\_\_\_\_

Date: \_\_\_\_\_

1. The first part of the text discusses the importance of understanding the human mind and body. It emphasizes that the mind and body are interconnected and that understanding one can lead to a better understanding of the other. This is particularly important in the context of mental health and physical fitness.

2. The second part of the text explores the concept of "New Concepts" in the field of psychology and neuroscience. It discusses how recent research has challenged traditional views of the mind and body, leading to new insights into how they interact. This includes topics like neuroplasticity and the role of the gut in mental health.

3. The third part of the text focuses on practical applications of these concepts. It discusses how understanding the mind and body can be used to improve mental health, physical performance, and overall well-being. This includes strategies like mindfulness, cognitive-behavioral therapy, and exercise.

4. The final part of the text concludes by emphasizing the importance of a holistic approach to health. It argues that focusing only on the mind or the body is not enough; instead, we need to understand and care for both together. This is the essence of "New Concepts" in the field of health and wellness.
